Fund Public Services - Support Council Workers

Nottingham City Council faces a toxic mix of ongoing government underfunding, increased spending and loss of income during Covid, and a disastrous policy of commercialisation.

Instead of mounting a public campaign calling on all underfunded councils not to pass on cuts, Nottingham City Council plans to pass on cuts to the workforce and local communities. This includes:

Up to 650 jobs cuts
Closure of an adult day centre
Closure of Bulwell Golf Course
Cuts to library and play services

**WE SAY - NO CUTS!
NO JOB LOSSES!
