YOU CANWORK IT OUT ENGLISH AND MATHS TIPS FOR NHS CATERING STAFF

We have produced a set of pocketsized resources offering literacy and numeracy tips to different groups of workers. This one is aimed at UNISON members working in early years settings.

It's an update of a resource that UNISON originally developed with the National Institute of Adult Continuing Education (NIACE), now Learning \& Work Institute (LWI).

You can exaggerate how you say a word to yourself to remind you of the silent letters

Remember to ask for the ward name and the patient's name. If you're unsure of any spelling, ask the caller to spell it out for you. Keeping a copy of the menu close to the phone helps with the spelling of food items.

## Colleagues phoning in sick

Make a note of their name and the reason they are not able to come in to work so it can be passed on to your supervisor.

These are the correct spellings of some common symptoms:
