# Dementia Awareness

TUESDAY 14TH JUNE

9:30 - 12:00

HOSTED BY THE OPEN UNIVERSITY

This workshop is aimed at people working in care or other settings where they might encounter individuals who have dementia. The workshop aims to help you understand:

- what is meant by the term 'dementia'
- causes and types of dementia
- how having dementia affects the way a person behaves and functions
- that there is more to a person than the dementia
- that it is possible to live well with dementia
