Looking After your Financial Future

Lighthouse Financial Advice is organising a webinar specifically designed to help **UNISON members** secure their financial future. You should attend this webinar if you would like to find out how you may be able to:

- build up a nest-egg tax-efficiently, for yourself or for your children or grandchildren
- boost your pension provision, so you will be able to enjoy a comfortable retirement
- take your pension, including the Local Government Pensions Scheme, and get the best possible income
- pass on your wealth to your loved ones in a tax-efficient way

The webinar will be presented by one of our fully-trained financial advisers. They have the knowledge and expertise – including a detailed understanding of the Local Government Pensions Scheme – required to help you whatever your financial worries or stage in life.

WHERE: **Log-in conveniently from your personal computer or device**

WHEN:

BOOK YOUR PLACE: Email or call the person below, stating the webinar date and time –

If this date isn't convenient please get in touch and we will arrange an alternative convenient personal **telephone appointment** for you

The value of your investments can go down as well as up, so you could get back less than you invested. A pension is a long-term investment. The fund value may fluctuate and can go down. Your eventual income may depend upon the size of the fund at retirement, future interest rates and tax legislation. Tax advice which contains no investment element is not regulated by the Financial Conduct Authority.
