

Learning at Work Week 2022

16 - 22 May

Organise Stalls

Where possible invite members to stalls which demonstrate all that UNISON Learning offers. Invite others (providers, employer etc) to create a bigger event

Make it fun

Learning at Work Week presents an opportunity to be different. Sessions can focus on relaxation (yoga, mindfulness etc) or just fun

Promote

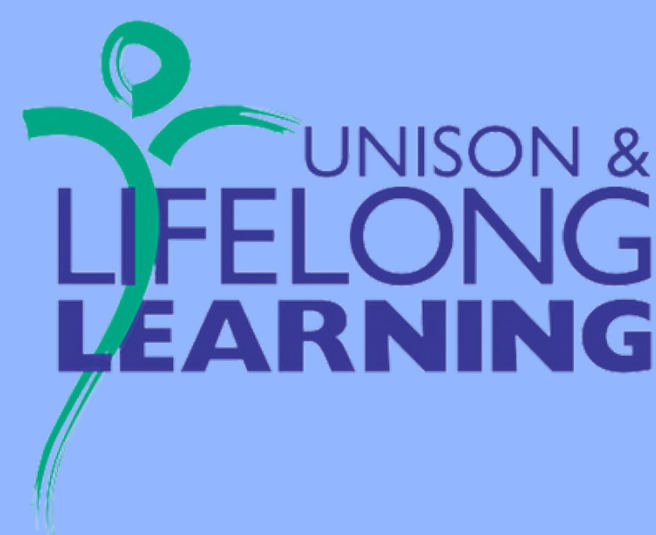

Because there is so much already out there, why not use the week to get the word out using Social media, Daily emails, learning newsletters, employer networks and local press?

Courses/Talks

Lunchtimes, evenings or several days, on any subject. On something important in the workplace or something fun and inspirational. The Regional Provider Directory has ideas or approach experts in your branch

Books & things

Author visits, book swaps, Reading Challenges and book groups are always really popular. Why not hand out books that are wrapped up?
