

Free course for UNISON members in a Northamptonshire branch

Autism Awareness

13 May 09:30 - 12:15

Delivered via Zoom

Delivered by Autism East Midlands this session is aimed at members who interact with autistic people and want a general understanding of autism and the support autistic people may need. The session will provide:

- An awareness of autism
- An understanding of how autistic people see the world and how they communicate
- An overview of sensory issues and promoting autism friendly environments
- Strategies to support emotional wellbeing
