

Free course for UNISON East Midlands members

Special Educational Needs (SEN) Training

For members who work with children and adults who have Special Educational Needs and would like to increase their understanding of SEN

5 October 2022

9.30 - 12.00 Via Zoom

Delivered by 2Resolve, who have significant experience working as teachers and senior managers in SEN schools with residential provision, this workshop aims to help you:

- Have a better understanding of what SEN is
- Identify some of the main barriers and impacts of SEN
- Feel more confident working with the most common elements of SEN
- Have a better understanding of SEN assessment, diagnosis and treatments
- Identify strategies and practical ways of adapting your practice when working with people with SEN
- Have a range of strategies for working with young people who have SEN and feel more confident in supporting positive behaviour
