

ADHD

AWARENESS

Free course for UNISON members who work with young people with Attention Deficit Hyperactivity Disorder and would like to increase their understanding of what ADHD is

14 September 2023
10.00 - 12.30 Via Zoom

On completion of this ADHD Training course you will be able to:

- Identify some of the main barriers and impacts of ADHD
- Have a better understanding of ADHD assessment, diagnosis and possible treatments
- Identify strategies and practical ways of adapting your practice when working with young people with ADHD
- Have a range of strategies for working with young people who have ADHD and feel more confident in supporting positive behaviour
- Feel more confident working with ADHD

This course is delivered by a trainer who has had significant experience working as a teacher and senior manager in SEN schools with residential provision
