

Your Rights at Work

Presented by
Dave Ratchford
UNISON Regional Officer

Come along to our lunchtime session introducing you to Your Rights at Work. When you are going through changes at work, whether they are personal or in a group, it helps to know where you stand.

During this session we aim to cover:

- To highlight some basic employment rights and where they come from
- To consider relevant issues in the workplace and how and when they could be resolved
- To provide the points of contact for any further help
- To provide a brief general Q&A for any specific issues you have or are interested in
