# Dyscalculia Awareness

**Tuesday 3rd December**

**5pm - 7pm**

Online via Teams

- Understand maths difficulties, the current state of maths in the UK and its impact
- Recognise dyscalculia and the effect of other specific learning difficulties with maths
- Key indicators of dyscalculia
- Understand the impact of dyscalculia on the individual and maths anxiety
- Dyscalculia in the workplace and suggestions for support

Open to all members of  
UNISON Northamptonshire based branches
