Deaf Awareness and Intro to British Sign Language

13 October 9:30 - 12:30. Via Zoom

Run by Nottinghamshire Deaf Society

This introductory session will help you support deaf and hard of hearing people by:

- exploring effective ways of communicating
- providing an awareness of needs. And
- looking at some basic sign language

Nottinghamshire Deaf Society deliver a number of different British Sign Language and Deaf Awareness courses. All their trainers are profoundly deaf and are first language BSL users. They believe that training should be led by people with a lived experience of deafness; training others about their own culture and language.
